The place from Tempe offers **16** different dishes and drinks on the menu at an average \$18.7. What [Kat V](#) likes about Main Event Entertainment:

Great place for team activities! We started early in the meeting room, then had lunch in the same room. After that it was a fun time. We did team bowling, laser tags, and arcade games. We left happy and enjoy each other company. [read more](#). The restaurant offers complimentary WiFi for its customers, And into the accessible rooms also come customers with wheelchairs or physiological limitations. What [Vincent Ong](#) doesn't like about Main Event Entertainment:

We were given Fun Cards after leaving a kids birthday party early. We did bowling at the party but never started the time on the card for arcade games. Planned to go back to use the cards later and were surprised to find out the cards were worthless. Apparently the policy is the cards expire the day after the birthday party. Pretty disappointing policy from Main Event. [read more](#). If you're craving some zesty South American cuisine, you've come to the right place: exquisite dishes, prepared with *fish, seafood, and meat*, though **corn, beans, and potatoes** are also in the menu, and you can indulge in fine American meals like Burger or Barbecue. Of course, there's also crispy crunchy pizza, baked fresh according to original recipes.
