What [Jamie](#) likes about Jasmine:

Hands down one of our most favorite Chinese Restaurants and we love Chinese food! The food was delicious and perfectly prepared. It felt healthy, fresh (not greasy), meat tender and the food was all super warm. The staff was so welcoming, informative and friendly. We didn't wait too long for our dessert I highly recommend the ube and black sesame mochi— and yet they gave us an extra golden strawberry dessert for “tak... [read more](#). What

[Paul Kim](#) doesn't like about Jasmine:

Overall, most food was supremely mediocre due to the lack of taste, which needed a lot of improvements. I was so disappointed about those foods, thinking that I had enough with them. Who made all that food? That wasn't too good. Even though the others were okay with wonderful service and elegant decorations in the restaurant, it was fine in the end despite that food being terrible. [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious cuisine from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, on the menu there are also a lot of Asian meals. The Asian fusion cuisine is likewise an important part of Jasmine. Anyone who finds the usual and generally known dishes too ordinary should approach with a willingness to experiment and try some exciting combination of ingredients taste, there are also delicious vegetarian menus in the menu.
