It's certainly always an experience to be in a typical saloon and to taste; to feel like a cowboy for once with a beer and also the **finger food like crispy fries, onion rings or a delicious burger**, Also, the guests of the restaurant love the large selection of various **coffee and tea specialities** that the establishment has to offer. The burgers of this establishment are among the highlights and are usually served with filling sides such as French fries, leaf and cabbage salads or wedges, here they serve a comprehensive brunch in the morning.
