My new regular. I'm doing the keto diet and they can make any sub on a salad. They did a hot Philly cheese steak on a salad and add whatever veggies you want also, and it was the best thing I've ever eaten- super juicy and cheesy plus veggies, you can't go wrong with that. Also the staff have always been super kind and welcoming, and there's been different people the times I went. 5 stars. [read more](#).
