Got the bagel with cream cheese w/lox and have to admit it was as good as the ones in NYC. Never came in The Bagel Shoppe before because I don't normally associate good bagels with upstate NY. I plan to try the other items available there in the future!! [read more](#). The restaurant offers complimentary WLAN for its customers, Depending on the weather, you can also sit outside and eat. What [Anonymous User](#) doesn't like about Bagel Shoppe:

Everything is bad bad food, bad service. The staff all look like ex convicts. Guy was rude over phone, not much better in person. Biting into their bagels is like biting into cardboard. Have gotten burritos from here not very good, fell apart in my hands. Only go here as a last resort. [read more](#). In case you're hungry some *seasoned South American cuisine*, you're in the right place: delicious dishes, cooked with fish, seafood, and meat, but also corn, beans, and potatoes are on the menu, Forbreakfast a *versatile brunch* is offered here. You can just get one of the scrumptious sandwiches, a small salad or another snack, if you're not that ravenous, In addition, the charming desserts of the establishment shine not only in the eyes of the little guests.
