If you're craving some spicy South American cuisine, you've come to the right place: exquisite dishes, prepared with **fish, seafood, and meat**, though *corn, beans, and potatoes* are also in the menu, Furthermore, the drinks list in this restaurant is impressive and offers a good and comprehensive diversity of beers from the area and from worldwide, which are definitely worth a try. There are also tasty American menus, for example, burgers and grilled meat, You can also unwind at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
