When the weather conditions is nice you can also eat outside, and there is complimentary WiFi. In the morning, you can enjoy a rich brunch at Biggby Coffee, freely at your own will, Furthermore, the guests of the establishment enjoy the comprehensive variety of the various **coffee and tea specialities** that the restaurant has available. Sometimes you may not want to consume a lot, in this case one of the delicious *sandwiches*, a small salad or another snack is just right.
