21. September 2022 was my first time in this [Kernersville](#) NC site. The eggs were cold, cheese was shredded on the top unmelted, sores were lumpy and warm, the only food that was warm and good was my cookie. I was totally confused with disbelief because I usually ride at 5:30 thru and my food is always delicious. I don't know if they've changed workers or what, but I'm definitely not going back. Oh, I forgot, I also have one of my favorites cinnamon roll, opened it, hard like a skirt! I had to stop on my way out and ask for a fresh one. I'm not that person, but I couldn't go without getting my cinnamon roll. I'll go all the way back to Greensboro Biscuitville on West Market Street.
