What [User](#) likes about Red Lobster: Food was ok. Don't order the salmon, it's awful. Was told they get them frozen not fresh. The shrimp scampi was very good. Our server (Brandon, I think) was EXCELLENT! While we were there, I overheard the manager (Ms. Jorda) graciously thank and encourage the gentleman (who was foreign) clearing tables. You don't see or hear that everyday so I had to approach her and thank her for having done that. The general manage... [read more](#).

What [User](#) doesn't like about Red Lobster:

Let me first say our server, Dorothy, was fantastic. She was attentive, kind, and solved all of our problems to the best of her ability. Our food came out fairly quickly, but it was a little too quick. I ordered the surf and turf, and asked for my steak to be cooked medium rare. The kitchen forgot to put shrimp on my plate, okay, no big deal. Dorothy gave me a serving of shrimp and I was happy. However, the steak I r... [read more](#).
