You can also contact them through their website. What [User](#) likes about Coco Garden:

Great food, authentic taste. Sitted here a week after the return from Malaysia. We're here twice now and will definitely be back. The only dish I wouldn't order again was the basil chicken, not bad, just not as good as the other things. Roti canai is great with beautiful pieces of delicate meat in the curry. The beef return is probably my favorite, nice kick, but not too sharp. The house special pork has great taste... [read more](#). Traditional dishes are prepared in the kitchen of Coco Garden in Rochester with typical *Asian spices tasty*, The visitors of the restaurant also appreciate the extensive selection of differing coffee and tea specialities that the restaurant has to offer. The [Asian fusion cuisine](#) is also an important part of Coco Garden. Anyone who finds the everyday and generally known dishes too ordinary can here approach with a willingness to experiment and try some unexpected combination of ingredients taste, delectable [vegetarian](#) dishes are also on the menu available.
