What [User](#) likes about Cafe At Wegmans:

That's one of the best pizzas I've ever had. Really tasteful dough, you can say the freshness and quality of the ingredients. All of Wegmans, especially Pittsford Wegmans, I always stand up. \$10 large [pizza](#) with two toppings This review is about the Pizza. I got a large cheese with banana peppers and chicken chunks. The [Pizza](#) was uneven with some parts of the crust paper thin. The major problem not much taste. It was missing something. And, it was missing sauce. A lot of the [pizza](#) was cheese on top of dough with nothing red in between. I mean it is \$10, and easy to pickup, but I expected better. I guess it is aimed at feeding hungry kids. I used the wegmans 2go app and have done it before. I use it less frequently now after having issues with the app in the past. Today I updated the App before ordering and it is still a little buggy. You can't get a better price especially when combining it with a coupon, but in this case, you get what you pay for. With the comprehensive range of **coffee and tea specialties**, a visit to Cafe At Wegmans becomes even more attractive, One can also find some *international dishes* to choose from in the menu. No matter the occasion - a special event - the in-house catering makes it easy to enjoy the food from Cafe At Wegmans in your own four walls, Here you'll find sweet pastries and cake, small snacks and chilled refreshments and hot drinks.
