We bought the four different sushi rolls and they were amazing. All three waitresses were so kind and so attentive, we really appreciated the atmosphere. The building is hidden next to medical buildings so it's hard to find. I highly recommend this place for anyone wanting to try something new. I gave it 4 stars only because it took a little longer to get the food. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [Leigh S](#) doesn't like about Bada Japanese: Easily one of the most disappointing dinner experience we've had. We got sat at 7:30, they kept forgetting drinks, the hot food came out way before the sushi. It's 9 currently and we still don't have our food. The other people that are having dinner with us have been done with their food and we still haven't even seen one piece of [sushi](#). Great food but not worth the wait. [read more](#).
