This restaurant is a 10/10 in food, service and value for money. Wow, wow! The food was just amazing. Fresh and perfectly cooked. No complaints. Our server was amazing. Take good recommendations and even gave us extra Pita bread and sauce to take home with our left. I think this sample was \$20 and there was a lot to share and have leftovers! This is my new go-to-restaurant for which I visit the middle east food. [read more](#). What

[Melany Ramirez](#) doesn't like about Cedar's:

this used to be my favorite place to eat kibbeh , shawarma , humus. i got a shawarma today , the shawarmas used to be authentic and delicious , when i got home my shawarma only had chicken , FRENCHFRIES (who puts? french fries in a shawarma) some sort of pickled veggie. the shawarma is dry is not authentic at all. the service was bad , my mother had to go the frontdesk to ask for more hot tea and bread. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, the menu also includes delectable vegetarian recipes. Not to be left out is the large selection of **coffee and tea specialties** in this restaurant, You can also unwind at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
