The new owners are working hard to take a good thing and make it better! The [Mexican](#) food was always good and the extended menu now includes some of the best pizzas around. Prices are very reasonable and they refresh the appearance inside. Friendly service, late open, good food... what could you ask for more? [read more](#).

Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers), Particularly with the bite-sized **Tapas**, you can't absolutely nothing wrong, because there is something for all tastes. Naturally, they also serve you with tasty [pizza](#), baked straight from the oven in original style, For you, the dishes are normally prepared fast and fresh.
