Only wanted light meal for 2, but on the order board was 2 complete meals for 2 for 10,00 \$!!!! We got a big, tasty and huge frits that the window server said were extremely hot (they were just so super freshly fixed) and a soda. It wasn't an easy meal. The only thing that was bad to have to sit in our vehicle and eat it and the front of my shirt will testify why. Will definitely go back. [read more](#). The diner and its premises are wheelchair accessible and thus usable with a wheelchair or physiological limitations, Depending on the weather, you can also sit outside and have something. What [User](#) doesn't like about Burger King:

This restaurant is the most serious in my opinion, the last three times I was there, Terri did not choose, the orders were wrong and in one case we got cold old food! They even managed to make a mistake on the replacement order, which is the only thing they had done in their favor, the willingness to make reparations. I have to do one of the most terrible places to serve. [read more](#).
