What [User](#) likes about Lindo Michoacan: 3.5 stars. I was a little skeptical with the location and view of the place and the staff. but the food was great. We have a torta, costillas and chilaquiles. Torta was a little toast.. and rice was not the biggest, even at a dry end. I wanted to try their menu item, but I'm always skeptical to eat in restaurants during the week, but many people came and went with orders from Menudo, which regretted me not to try. So I'd try next time. We're here at 9 a.m. and they cleaned tables last night and took garbage out, this should happen the night before graduation for health reasons! The menus are old looking and do not feel clean, should they renew/renew. These were the only things I didn't like. Anticipate the varied, delicious [Mexican](#) cuisine, which is usually prepared with corn, beans and chilies (hot peppers), In the morning they serve a *varied breakfast* here. The [spicy Spanish meals](#) are definitely recommendable in the kitchen of the house, Particularly with the bite-sized **Tapas**, you can't absolutely nothing wrong, because there is something for all tastes.
