Best hospitality service by owners and the food and tea was so delicious!! We were in California for Jamz Cheer contest and randomly ran into this place. I think we have one of all on the menu just to try as the first timer.

Everything we tasted was delicious. Will always be this trip back to Trio Grill just to say hi and thank u for probably the most fun night during in Cali. [read more](#). The place closed down. I placed an online order through google only to find out that Trio Grill is closed down or out of business. There's a sign indicating that they've been bought out by another restaurant. So I never got my food and a week later they charged me. I try calling the numbers listed and no one is answering. Can't even leave a message because their unbox is full. Avoid online orders!!! [read more](#). Trio Grill from Anaheim offers *delicious, light digestible Mediterranean cuisine* with its characteristic menus, The guests of the establishment also consider the extensive selection of differing coffee and tea specialities that the restaurant offers. For the undecided, the inviting smell of fresh flatbread combined with the fine, syrupy promise of fresh baklava might be the necessary push - the Middle East is undeniably closer than expected, A catering service offered by the restaurant allows you to enjoy the meals on-site or at the event.
