Waiter was great, however, the food is mediocre. Who in God's name makes hush puppies using stove top stuffing? That's just plain lazy. No real Cajun seasoning to the food. If you're desiring some **zesty South American cuisine**, you've come to the right place: exquisite dishes, prepared with **fish, seafood, and meat**, though corn, beans, and potatoes are also on the menu, and you can look forward to the fine typical seafood cuisine. In addition, there are tasty American dishes, such as burgers and grilled meat.
