Really great Essensortiment. Many seafood options. Great deserts and ice cream. The staff was okay. My only concern is that nobody's going around. Bathrooms were in really bad condition Plus for me is that this is the first buffet food that does not make me sick after hours. [read more](#). What [User](#) doesn't like about Ichiban Buffet:

Considering this is a buffet the variety is really good ! I loved the options of seafood but you can't ever expect great quality from a buffet. The service was alright but not very understanding when it came to gluten free options etc.Food: 4/5 [read more](#). At Ichiban Buffet from Kissimmee you can taste delicious vegetarian menus, in which no animal meat or fish was used, Besides, the inventive blend of different dishes with new and partially adventurous ingredients is appreciated by the visitors - a good case of Asian Fusion. But the undisputed highlight of this place is the fine [Sushi](#) such as **Nigiri and Inside-Out**, and you may look forward to the tasty typical seafood cuisine.
