They were not even open and were still 100%!! The drinks were great and the atmosphere was on the spot! Great place for a "after work type of drink"! Bring many friends here!! [read more](#). What [User](#) doesn't like about Tequila Comida Cantina:

We went in and look to be a beautiful place. We sit and order drinks, then we went down hills from there. We had to call the young man to order. The food came and he didn't check us out. I wanted to drink more. Finally, we had to ask another server for him. Right after he came, he sat with his friends. When it was time to go, the nice barwife had to ask him for the check. That was my first time there and my last time... [read more](#). The visitors also appreciate the *versatile, delicious Mexican cuisine*, whose traditional dishes are prepared with corn, beans and spicy chilies, In addition, the drinks menu that is offered in this established eatery is impressive. It offers a wide diversity of beers from the region and the whole world.
