I got my usual you avocado rolls and Gyoza's while my boyfriend got I think a rainbow roll. I'll update this soon as I ask him! [read more](#). What [Lisette C](#) doesn't like about 52nd [Sushi](#):

The *catering service* is also provided by the restaurant for its guests, Particularly tasty are also the Maki and specialties like **Inside-Out** from this restaurant. Also, they provide you **delicious seafood dishes**, and a lot of fresh vegetables, fish and meat are used to prepare easily digestible Japanese menus.
