In the Kikuya from [Kaneohe](#), using a lot of freshly harvested vegetables, fish and meat, easy-to-digest, delicious Japanese dishes are prepared, On the menu there are also several Asian dishes. The Asian fusion cuisine is likewise an important part of Kikuya. Anyone who finds the usual and generally known dishes too boring can here approach with a willingness to experiment and try some unexpected combination of ingredients eat, Also, the customers of the restaurant love the extensive variety of differing **coffee and tea specialities** that the restaurant has to offer.
