3 words sum- busy, popular, sweet! We stumbled at this place when we were on the way back to the hotel where we were in a nearby restaurant after dinner. We saw many cars and people outside this facility and decided to take some sweet treats after an unsatisfactory culinary experience nearby. From slurries to sunflowers to shakes they have everything. Some unique and Mexican, Tortuga etc. seemed tempting. We tried Tortuga, pieces of reess, chocolate cherry and chocolate explosion. Everything was delicious and the small size was more than enough for us. Definitely recommended for a fast sweet treat when you are in town. The staff was friendly and the service was fast! The sweet treats improved our mood after the unpleasant culinary experience earlier. The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and have something. Look forward to the **diverse, fine Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), Also, the customers of the establishment love the comprehensive selection of differing **coffee and tea specialities** that the establishment has to offer.
