Massive [Mexican](#) food. Nothing super crazy or imagination, just well made delicious food. A chicken Super Burrito ordered and it was great. Red and green salsas are good, but regular. Lady at the counter was nice and food was twice as fast as I expected, as in super fast, wow that was fast service!! Burrito was well wound and remained together until the last bite. [read more](#). What [User](#) doesn't like about Pelayo's Taqueria:

Super disappointed with my order today. Ordered carnitas plate no lettuce. Limes on the side. I received carne asada with lettuce. No limes. The beans are super salty. Usually it's good. [read more](#). In case you want to have breakfast, a *hearty brunch* is offered to you.
