Great and fast service. Waitresses are very pleasant and welcome. I threw my wife on an adventure here because there is not a knight's spot from us. Drove one hour outside, but definitely a great place to try. The food was great from the presentation to how fresh it was! We'll be back. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Rai Rai Ramen:

I had ramen noodles in Manhattan, and directly from Japan during multiple JapanFes'. Here in EB they don't taste and feel right. The broth is meh, doesn't taste as it had been boiled for a day (or it was kept frozen after). Pork chashu is not as fatty and tender. Preserved egg is barely makes it. The service is nice, quick, and efficient.
