1. Let's eat here. The western omelet was more than I could eat. A reviewer said she liked the pan potatoes, so I got them. My husband has the 18 radiator with pancakes as big as the plate, eggs and sausage. I liked his hash browns better than the potatoes. It is an older restaurant, needs a deep cleaning, but mostly very clean. Great service. The coffee is amazing!. The extensive selection of **coffee and tea specialties** makes a visit to [Benton's Family](#) even more worthwhile, In the morning they serve a tasty breakfast here. The delicious **Sushi such as Nigiri and Inside-Out** however, is the undisputed highlight of this establishment.
