One of my favorite spots! I love sushi and this place is great fresh options. You can have things packed in nori Meerweed or in bowl. You also have a few options that don't have fish. I love the Kalbi Beef Bowl who has kimchi. It's my social go to see when I'm down in Boulder and need a quick bite. [read more](#). When the weather is good you can also eat and drink outside, and there is complimentary WLAN. The premises on site are accessible, and therefore no problem for guests with wheelchairs or physiological disabilities. What [Balthazar](#)

doesn't like about Motomaki Sushi Burritos Bowls:

Maybe it is my lack of understanding of the Spanish language culture, but I personally wouldn't call a roll barely 1.5 inches of diameter a burrito. Looking at the other pictures, it seems that you don't exactly get the same product between dine-in and take out, probably because they would get this returned immediately in one of the two scenarios. I would advise anyone ordering take out to open the box they give you... [read more](#).
