What [User](#) likes about Star Poke:

A small shop run a yummy Hawaii Poke bowl, named in the movie Star War and they have shown 1:1 film character model there, so cool! Your menu does not have much choice, but good enough to satisfy your taste. [read more](#). You can use the WiFi of the establishment free of charge, And into the accessible rooms also come

clientele with wheelchairs or physiological limitations. What [April Rodriguez](#) doesn't like about Star Poke: Poke was mediocre but service was terrible. I know they got a new payment system but even after I showed them several pending charges on one credit card they made me try another and then still had to pay cash. Ended up getting charged 4 times on two different credit cards and when I asked them to fix it they told me to dispute it with my CC company and didn't seem to care. Spent 40 minutes on the phone having to do t... [read more](#). If you're craving some **zesty South American cuisine**, you've come to the right place: delightful menus, roasted with fish, [seafood](#), and meat, though corn, beans, and potatoes are also in the menu, On the daily specials there are also several [Asian meals](#). The *Asian fusion cuisine* is likewise an important part of Star Poke.

Anyone who finds the normal and generally known meals too boring should approach with a willingness to experiment and try some unexpected combination of ingredients enjoy, and you can enjoy here delicious American dishes like Burger or Barbecue.
