Good things in this place. I've been here for six years. Optimal parking. Friendly and fast staff. You never made my order wrong. The food is THEE's best medium-east food in PDX (I have lived my whole life here. It is hard to find places in Portland that actually give you enough food for what they calculate. This place gives enormous amounts of food 99.5% of the time. [read more](#). What [User](#) doesn't like about Gyro House Se Portland:

2 stars are only for the good taste of food. BUT. 2 items ordered, was said pizza would take 30 minutes. No problem. Came back 25 minutes later and my order was ready. GREAT! The food was obviously ready before my arrival as my pizza was lukewarm. The gyro I ordered was ready when I came to the store. 20 minutes before finishing my [pizza](#), ice cold. Definitely NOT impressed and based on the 1st impression, will NOT be back. Find a family-run food car, get better quality and service. An additional service offered by the restaurant is the [catering service](#) for visitors, And of course, you should also try the **delicious burgers**, with sides such as fries, salads, or wedges offered. For those still considering, the inviting smell of fresh flatbread combined with the scrumptious, syrupy promise of fresh baklava might be the necessary push - the Middle East is undeniably closer than expected, but also the **Greek specialties** are well received by the visitors of the restaurant.
