Stopped for a fruit bowl fix, and had to check this spot out. It is I side the market towards the back. The staff were not entirely nice and the girl taking our order coughed pretty violently into her hand and then went right into our order, so that was just a little off putting. The bowls were delicious and came out fast. Overall the experience was weird but the food good! [read more](#). At 'anakē 's Juice in [KOLOA](#), there's a *delicious brunch* for breakfast where you can eat as much as you want feast, among the delicacies of this establishment are particularly the **Maki** and Te-Maki. In conclusion, the establishment also offers a diversity of **enjoyable** dishes, which are certainly worth tasting, the menu also includes [delicious vegetarian meals](#).
