Absolutely fantastic pizza. The delivery service is fast and I cannot compare the quality with any other [pizza](#) chain. Quality ingredients translate to high-quality foods and this is an excellent example. Great work!!! [read more](#). What [Elvis M](#) doesn't like about Papas Pizzeria:

Only rating it 2 stars because unfortunately this place was no longer in operation. I had heard and read lots of great things about it but the [Lapeer](#) locations website needs to be updated as it shows it is still open. I hope to visit their other locations and try their food soon [read more](#). Crispy pizza is baked hot from the oven at Papas Pizzeria in Lapeer using a time-honored method.
