The sloppy Joe I had was great. I've eaten a bit. The food takes a while and is decent for the price. You can say it is a frozen [fast food](#) type experience, but definitely edible yet [read more](#). What [Rose-Marie Bradley](#) doesn't like about Dairy Shed:

Dropped by on a Friday night. They were very busy, but they were very fast. Just FYI, Lucky Charms has no flavor. It's just vanilla and marshmallow, but not even a lot of those (they didn't even go to the bottom). The Donut Supreme was delicious as far as the ice cream and the apple pie filling. Mini donuts are hard and dry. It works for something different, but it isn't amazing. [read more](#).
