What [User](#) likes about Thai Issan: Sensational Thai food. The owners of this restaurant are delightful, and shared wonderful recommendations with our family. My husband and I love visiting Thailand, and the food at Thai Issan tastes authentic, fresh, and delicious. We will definitely be back. It was very easy to order vegan dishes. The omnivores in our group loved the food too. I simply can not leave a glowing enough review. Fantastic food! [read more](#).
