A great place for breakfast or lunch in downtown St Pete. This is more from a café or restaurant than a café. It has the feeling of a traditional dinner, very relaxed. Food was good, the service was excellent, I'll be back. \*My only negative, it's time to reopen the counter service! [read more](#). To try and for a moment to have the feeling of being in Hollywood; that's not at all unusual in this genuinely styled decorated diner, Especially tasty *juices* are very popular among the customers. It should not be forgotten that there is a large variety of coffee and tea specialties in this restaurant, and you can try delicious American meals like **Burger or Barbecue**.
