I would like to come back and rate this place higher, so looking for an update! [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that go well with the food, Naturally, you can't miss out on the *fine burgers*, which are accompanied by sides like fries, salads, or wedges provided. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink.
