Is that a little hidden gem?? Now you all know the secret. The main reason why I labeled it for is the drinks are not unlimited, so I would recommend taking away if you want to drink soda or a tea a lot. The food comes in 1-10 heat levels. I ordered a 4 mines was not hot at all, my daughter ordered a 5 temp it was just right. All we ordered was VERY taste I would recommend this taste place completely. read more. What User doesn't like about Omaha Mercy Thai:

They must be under new ownership because the food was not even close to what it used to be. The spring rolls should just be called carrot rolls since it was 90% carrot and the shrimp was almost non-existent.The beef in the beef salad was hard and crunchy almost like a fried beef jerky texture. I really used to love this place not sure what's going on now. Probably won't order here again. read more.
