What [Steve Smegner](#) likes about Taqueria Dos Gordos:

Great Mexican food. Good price. Only open for breakfast lunch hours. Has good breakfast tacos as well as the rest of the menu. Only downside it is located in a dingy gas station but off to one end. I probably would have never stopped in to get food if it wasn't for my Latino friends that recommended it. [read more](#). What [Anna K](#)

doesn't like about Taqueria Dos Gordos:

The breakfast tacos were \$1.25) super small compared to STRIPES tacos) and the large barbacoa burrito \$9.99) was way too greasy. Thought it would be great food, but I guess I'm too picky because most restaurant foods don't taste good enough for me ?. [read more](#).
