What [Marty Roze](#) doesn't like about Tahoe Pourhouse: Atmosphere is definitely unique, but the food and coffee do not match the experience. Lounge tables were dirty with trash and water spills, but walking in seeing the decorations definitely mask up for the obvious flaws the shop has. Food was subpar, probably frozen beforehand. Coffee was overpriced based on the taste of it. I'm sure you could find better places when visiting Tahoe. [read more](#). There are also tasty American dishes, for example, burgers and grilled meat, Also, the guests of the restaurant love the large variety of differing coffee and tea specialities that the restaurant has to offer.
