What [User](#) likes about Taco Bell:

I'm glad I stopped on my trip. the menu has changed quite quite, from vegetarian options. the new qiosk is easy to navigate and order. no confusion as to whether you got your order as they wanted or not. the new vegetarian fiesta burger was pleased between the traditional bohnenburger and 7 layers. chalupa vegetarian was ok, a little under boiled. I think the restaurant could be abandoned. In a completely empty building. No workers present, no customers.... Just an empty, still open Taco Bell. Very strange.
