What [User](#) likes about Uptown Pubhouse:

Nice bar to visit in Flagstaff. Very cool no pressure vibe and the bartenders are up on the line. If there is a waiting for a drink its minimum and they help you with your choice, givin their experience. Barbacks keep their offers constantly. Also, all cartridges are very friendly. Definitely worth a break from the cold. Thanks for the great time uptown pubhouse. [read more](#). You can use the WiFi of the restaurant at no extra cost, And into the accessible spaces also come visitors with wheelchairs or physiological disabilities. If the weather conditions are right, you can also be served outside. What [brian cresson](#) doesn't like about Uptown Pubhouse:

I used to come here a couple times a week as my go-to burger spot. The last handful of times I've tried to order a burger and a beer here it just doesn't work out. I sit and sit and sit up at the bar until I eventually, I leave. I used to tell everyone about this being the low key best burger spot in town but I just can't recommend it anymore. [read more](#). If you're desiring some **spicy South American gastronomy**, you're in the right place: exquisite dishes, made with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, For a snack, you can also have the fine **sandwiches**, healthy salads and other snacks. It goes without saying that a suitable drink completes a meal; therefore this *gastropub* serves a diverse variety of tasty and local alcoholic options, be it beer or wine, Naturally, you should also taste the delicious burgers, accompanied by sides like fries, salads, or wedges provided.
