If you're hungry for some *fiery South American culinary arts*, this is the place to be: exquisite meals, roasted with fish, [seafood](#) delicacies, and meat, but also corn, beans, and potatoes are in the menu, And of course, you should also try the **tasty burgers**, with sides such as fries, salads, or wedges offered. At the bar, you can also relax after the meal (or during it) with an **alcoholic or non-alcoholic drink**. Furthermore, the drinks menu in this eatery is impressive and offers a good and extensive diversity of beers from the area and from worldwide, which are definitely worth a try.
