What User likes about Hajime Japanese Express: In the last few months, several different roles (exception). Also several different non-sushi menu items tried and everything was very good. Fresh ingredients made right. Will go back and would definitely recommend. Friendly service too. Conveniently located. [read more](#). What Liz A doesn't like about Hajime Japanese Express: The person making sushi wasn't wearing a mask during a freakin pandemic. Disgusting. I called to complain and the person didn't even apologize or offer to refund me. Also the person in the kitchen wasn't wearing a mask and then the person putting the food in bags put their mask on when I walked in. Gross. Never ordering from here again. [read more](#).
