[sushi](#) w different types of fish etc. and so \$cheap. Everything tasted much better than my local Asian buffet. The fried shrimps etc. was impressive as the won tons flavors.

Hands down, is it going back? [read more](#). What [User](#) doesn't like about Sakura Japanese Buffet:

SECURITY!!! I've been here before, so I came back. BUT the food was NOT good at all, very disappointed!!! Some buffet tablets were completely empty while we were here. And they changed the age for children, 10 is an adult, although website says 10 years old is a child. So cheap!!! Loses a family instead of just honoring what is on THERE website. I never come back to these CHEAP LAZY people. Worst LUNCH I had ALL YEAR!... [read more](#). The Sakura Japanese Buffet originating from Stuart dishes out various **delicious [seafood menus](#)**, The successful fusion of different meals with fresh and partially daring ingredients is highly valued by the visitors - a good example of Asian Fusion. The *dishes are prepared typically Asian*, Many customers find it especially great that they can try the versatile, tasty Chinese cuisine.
