The man said just come on and they would take care of us a table for 15! Our waitress was great and the food was so good!! We've been before and will definitely be back!! We enjoyed our meal and the staff was great. When we are able to get away with going out we go there. Never been unhappy with the food or staff. It is just a perfect place for the family and dates. The food is sooo.. good. It's my favorite place to go eat. Loved it again last night. Thanks for having us. [read more](#).
