Fantastic experience all around. Went to a nearby restaurant where we walked in and walked out after the hostess was rude to us. No hostesses here, seat yourself, which was fine by us. The wings were fantastic and fresh and the burgers were juicy and cooked just right! We'll be back for sure. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, and there is no-charge WLAN. What [Harrison Daugherty](#) doesn't like about Al's Airport Inn Grill:

For the first time visitor. The place is very small in the dining area and you are basically sitting on all. It's very loud and makes it very hard to hear people talking right next to you. Besides, the service was good and the meal I had (Chesesteak Tacos) was very good. They had the night I was there and it was very entertaining. Most likely, I'll give him another shot.
