Wonderful staff, very friendly, and they remembered my order after about 5 times coming! Food is too much time.

The only complaint I have is that they sometimes subjugate the waffles. But it doesn't taste bad, just a bit too cool for my pleasure. Total, 10/10, would come back here [read more](#). What [User](#) doesn't like about Waffle House:

Not the best Waffle House has to offer. The staff are nice enough. But the restaurant has a dirty feel to it. The food took a while, and our drinks took longer. It wasn't the worst one I've been too. But far from the best. Also interesting parking, but plenty of it. [read more](#). Get excited about the **diverse, delicious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), You'll find nice South American menus also on the menu. In addition, there are scrumptious American meals, such as burgers and grilled meat, The customers of the establishment are also thrilled with the comprehensive selection of differing **coffee and tea specialities** that the establishment offers.
