Follow the direction to paradise or to the visitor center and bring your hiking shoes. Take the longer path on the back of the mountain if you are physically fit. You pass the falls (take a quick stop, it is nice) and then pass the asphalted path to the left. You will encounter a FRACTION of people on this steeper and longer path, but it is worth it, and you will be amazed when you come to Panorama Point. We migrated... [read more](#).
