So this place is freakin delicious. Way better than the corporate Korean chicken spots around town. Just saying if your standard for Korean food is bonchon or daegee you will love this. Been there 5 times now, pretty consistent food every time too. Highly recommend the spicy garlic wings. [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, and there is complimentary WiFi. What [Mama G](#) doesn't like about Vons Chicken Aurora:

Really disappointed with my order today. I ordered fried Padak chic, Garlic soy and oven roasted garlic. It was overcooked making it dry and the batter seems to have change. Over all taste was not good like before. After spending \$100+ thru Uber eats. I don't know if I will order here again. Never had issues in the past but this just made me feel like it was a waste of money and not satisfied at all. [read more](#). Lovers of **Korean cuisine** are right at home here: The range includes **Kimchi**, a variety of diverse variations of Bibimbap, alongside a multitude of delicious Jjigae that enchant the taste buds, Furthermore, the visitors love the successful combination of different menus with new and partially experimental ingredients - a nice example of successful Asian Fusion. The **meals are prepared typically Asian**, Many customers are particularly looking forward to the diverse, fine [Mexican](#) cuisine.
