What [User](#) likes about Zanzibar Greek American Food: We decided to visit the beach on our family vacation and found this little beachside restaurant. When the weather is good you can also eat outside, And into the accessible spaces also come customers with wheelchairs or physical disabilities. Whether it's a delightful flatbread, paired with a delicious garlic spread or golden falafel, the enjoyment of the dishes from the Middle East drifts you almost into vacation mode - rounded off with a delicious, sweet baklava, you can return satisfied to your everyday life, and you have the opportunity to try scrumptious American dishes like Burger or Barbecue. Even **South American** fresh seafood, meat, as well as corn and rice are cooked here, but also the *Greek delicacies* are well received by the customers of the restaurant.
