The restaurant from Ardmore offers **16** different **dishes and drinks** on [the menu](#) at an average \$3.6. What [Kayla M](#) likes about Yi's Boba:

This shop has such a wide variety of flavors to chose from. The flavors were very good, for example I got lavender. Often this is hard to taste as they never use enough but this one had a strong and delicious flavor. Also I think I've only ever seen it as a flavor option for milk tea once before. The price is also very cheap for a generous size. [read more](#). The extensive diversity of *coffee and tea specialties* makes a visit to Yi's Boba even more worthwhile.
